

# Patent Attorney Vacancy

**We are a well-established patent and trademark attorney practice with a diverse client base, ranging from start-ups to multinationals.**

**We're looking for a patent attorney to join our friendly and growing team, where we invest in long-term employee wellbeing and engagement.**

## The role

You'll have the opportunity to serve our existing clients from the start – but also be able to shape your own working environment and priorities.

The role is not restricted to any particular location. You'll have the opportunity to work collaboratively and digitally with colleagues across the UK and mainland Europe.

## Benefits

- Competitive pay and bonus
- Up to six weeks annual leave
- Life insurance
- Private health insurance
- Attractive private pension scheme
- Truly flexible working
- Regular social events

## The ideal candidate

You'll have excellent communication skills and ideally be fully qualified. However, candidates who are part qualified will also be considered.

It would be a bonus to be within travelling distance of East Anglia and London. However, all arrangements are possible, including a fully remote position.
